

## REGION 2 REPRESENTATIVE

# BRYNN CARRIERE MCKENNA

Taanishi! My name is Brynn Carriere McKenna, and I am a proud Red River Michif woman. My family names are Carriere and Hamelin, and our roots trace back to the communities of St. Laurent and St. Boniface in Manitoba. I come from a strong line of politically active Métis people, and I'm honored to carry forward this legacy as the regional youth representative for Region 2.

Advocacy and social justice have always been central to my life—I've been involved in this work since childhood and am passionate about continuing to make a difference. In my role with MYBC, I am committed to amplifying and uplifting the voices of Métis youth, advocating for their needs, and celebrating our culture. I firmly believe that we, as youth, hold the power to revitalize and sustain the vibrant livelihood of Métis culture for generations to come.
