FEATURE YOUR ART AND CREATIONS ONLINE

WITH MNBC'S MÉTIS TRADING POST

We are developing an application process to select Métis artists, creators, and business owners to be featured on our new website. Whether rooted in traditional techniques or reimagined through a modern lens, our goal is to have the Métis Trading Post showcase Métis art, music, literature, and more in BC Let us know more about you and your offerings:

Please fill out the application form, scan and return to adunn@mnbc.ca

Over the next few pages, you'll be asked a series of questions about yourself, your business, the products or services you offer, and your production structure. These questions are designed to help us gain a clear and accurate understanding of what you do and how you do it to best represent your work. If at any point you're unsure about a question or need clarification, don't hesitate to reach out — we're here to help and support you throughout the process.
