# FUNDING MILESTONE

THE MINISTRY OF SKILLS TRAINING,  
EMPLOYMENT, AND POST-SECONDARY  
(STEPS) HAS PROVIDED FUNDING FOR OVER  
1,500 APPLICANTS IN 2022.

MNBC is proud to announce a milestone of 1,500 Métis citizens having received funding from the Ministry of Skills Training, Employment, Post-secondary (STEPS) in 2022. This number represents the most amount of citizens having received funding from MNBC in the shortest amount of time per calendar year.

With five more months left in 2022, as well as the upcoming school year MNBC hopes to continue this record-setting pace, a testament to the work being done by our STEPS teams across the province.
