

Métis Speaker Series Season 2, Episode 3: Big Brother Terry and a Big Discovery (Senior Advisor, The Terry Fox Research Institute)

In this episode of our Métis Speaker Series, we speak to Darrell Fox, the younger brother of Terry Fox and senior advisor of the Terry Fox Institute. Darrell shares the story behind the discovery of the Fox family's Métis lineage and the impact that this discovery had on the Foundation. During the conversation, Darrell reflects on the role that Mary Ann Gladue, Betty Fox's mom, played in his and Terry's upbringing. He discusses how the Métis core
