Annual Harvest Survey & Renewal

- ∞ All harvesting card holders are required to complete an annual harvest survey to keep their cards valid. The harvest survey uses the Management Units found in the BC Hunting & Trapping Synopsis, the BC Freshwater Fishing Guide, and the BC Road & Recreational Atlas.
- ∞ The survey is completed online at: <https://secure.bcmetiscitizen.ca/survey> This link can be accessed all year round so you do not have to remember everything harvested all at once.
- ∞ All natural resources are tracked in this survey, whether it is plant, animal, fish or recreational land use. This data is crucial to have and so important for you, as harvesters to provide.
- ∞ Harvesting cards require renewal every 5 years, and all harvesters due for renewal will be notified by the harvester registry. A completed renewal form and new photo will have to be submitted.

BCMANR Newsletter

Harvesting card holders are mailed the BCMANR newsletter, "Within Our Sights" four times a year. This newsletter lets our harvesters know what MNBC staff and the BCMANR Captains have been doing each quarter, environmental information, and has a section called, "From the Campfire" for harvester input in the form of stories, photos etc.
