Raynie Gervais-Minister of Elders, Region 5 Director -February Report

In my report for the Month of February, here is a summary and some highlights of my activities.

- February 2/2021: This is the beginning of my Elder reports in my portfolio as Minister of Elders with weekly meetings set up each Monday of the week.
I will be meeting with MNBC Director of Elders, Tanya Davoren to give her an update and a follow-up from my Region regarding anything from Covid 19 issues of potential Elders to everyday activities in my portfolio.
- February 4/2021: Attended a board training workshop for the MNBC Board of Directors.
- February 9/2021: MNBC announced additional funding from Indigenous Services of Canada to help Communities in MNBC through the third wave impact of Covid 19 pandemic. This will greatly help our community citizens, especially to our most invulnerable Seniors in their urgent needs for medication, extra food, transportation and rent situations.
- February 10/2021: First meeting for the Emergency Management Plan Committee for MNBC.
- The first half of February was also the beginning of our preparation for draft operation Budget for MNBC. This is always a key component for our community societies.
- February 17/2021: The starting point for the beginning of our Hub Concept for Metis Communities discussions with the Board of Director through many Zoom meetings.
- February 18-20/2021; MNBC AGM

After much preparation since the start of February, The MNBC staff and Executive Staff, CEO and the MNBC Board of Directors have all worked diligently and tirelessly to make this event a great success. I would also like to give recognition to our Metis chair, Zack Murano for his expertise and good work at our AGM. Acknowledgements to our technical staff, Our Parliamentarian, and most of all our own MNBC Metis citizens and Presidents for their support
