Thank you to all that attended our first virtual AGM, it was a bit of a learning curve with a few glitches but we did it. I extend my gratitude to my Northwest Regional Communities, Tri-River Metis Association, Northwest Metis Association and Prince Rupert & District Metis Association presidents and their boards for all the support they continue to give me. I am honored to represent your voice at the MNBC board level. Stay safe out there and hopefully we can gather soon.

Respectfully

Susie Hooper

Northwest Regional Director

Minister of Environmental Protection

Minister of Post-Secondary Education
