Later, on the same day, MNBC also held a Cabinet Townhall for our Metis Citizens.

Everyone that attended was given an opportunity to ask questions and was then given answers to their satisfaction. I would like to thank all our hard-working SR staff and especially our chair, Mr. Pelletier as well as the MNBC Board of Directors for doing their full share and great job at the AGM. Everything went great.

Sunday, September 26/2021: MNBC Special MNGA.

This day was very special to our 38 Presidents and delegates that attended. Everyone managed to deal with all the resolutions that was on our agenda and things were managed quite well. Hopefully we are looking forward to a face-to-face MNBC AGM and MNGA for the next year of 2022.

This concludes my report for the month of September and hope this gives you an outline of events and meetings I have been attending during this busy month. I wish everyone of you a safe and healthy life ahead of you during Phase 4 of Covid 19 and to be able to help one another as one nation.
