## Mail in Ballot Voting During 2021 MNBC By-Election

Please be advised that due to adverse weather conditions including flooding, rockslides, and mudslides in B.C., there are multiple road closures affecting ground transportation of mail and parcels across Western Canada. You may experience some delays in receiving mail, and in outgoing mail reaching its destination in a timely manner.

MNBC eligible voters who wish to vote in the 2021 By-Election by mail in ballot should request their voting package as soon as possible. All requests for mail in ballot voting packages received before 3:00 PM are processed and mailed the same day. Furthermore, do not delay in completing your mail in ballot voting package once received, and return it to the Electoral Officer using the business reply prepaid postage envelope provided.

MNBC eligible voters are also reminded that they may vote online in the By-Election when polls open November 25, 2021 until the close of the Poll December 15, 2021. If you wish to vote online, please click the link below and follow the instructions provided:
